# ISO Farm Property Program

## ISO Farm Property Program

- New States added for Property: **California & Texas** accounts are now eligible for Equine property coverage!
- New product now uses the ISO Farm Property program forms and rating. This means a more commonly used basis for both coverage and premium computation.
- Coverage wordings will be added to the AEIG broker webpage for your review.
- For the smoothest transition possible, the processing by AEIG for underwriting requirements and acceptability standards remains the same.

Property Coverage in  
**California and Texas!**
