

Atlas General Insurance Services Agency Agreement – Bascule Insurance Svcs

Atlas General Insurance Services, a leader in workers' compensation and other commercial lines have collaborated with Bascule Underwriting, specialists in equine insurance, in providing an exclusive workers compensation solution to meet the needs of the horse farm owner. The program will be administered by Atlas and distributed through Bascule's network of independent agents/brokers. The guidelines allow for a wide range of equine professionals, including those operating a boarding, breeding, or show training facility and may also offer a lesson program. No racing, race training, or rodeo operations are eligible.

Due to an Atlas agency agreement we will only accept submissions with the following governing class codes from Bascule Insurance Services:

3110 Forging Works
7207 Stables
0038 Stock Farms
