

Bascule Insurance Services

Work Comp Programs

Bascule Insurance Services, specialists in underwriting equine insurance have collaborated with "A" rated carrier partners Ameritrust and Atlas General to provide an exclusive workers compensation solution to meet the needs of the horse farm owner. The program will be administered by Atlas and Ameritrust distributed through Bascule's network of independent agents/brokers. The guidelines allow for a wide range of equine professionals, including those operating a boarding, breeding, or show training facility and may also offer a lesson or therapeutic program. No racing, race training, or rodeo operations are eligible.

Acceptable governing class codes from Bascule Insurance Services:

3110 Forging Works
7207 Stables
0038 Stock Farms
